

Risk Disclaimer

The risk disclaimer is meant to inform the user of the potential financial risks of engaging in trading foreign exchange and derivative products.

The transaction of such financial instruments can contain a substantial degree of risk. Before deciding to undertake such transactions, a user should carefully evaluate whether his/her financial situation is appropriate for such transactions.

Trading in leveraged instruments may result in a substantial or complete loss of funds and therefore should only be undertaken with risk capital. The definition of risk capital is funds that are not necessary to the survival or well-being of the user. Decode Training (Australia) Pty Ltd strongly recommends that a user, who is considering trading these products, read through all the main topics contained in the Decode Training (Australia) Pty Ltd website so that he/she may obtain a clear and accurate understanding of the risks inherent of trading.

Opinions and analysis on potential expected market movements contained within the Decode Training (Australia) Pty Ltd website are not to be considered necessarily precise or timely, and due to the public nature of the Internet, Decode Training (Australia) Pty Ltd cannot at any time guarantee the accuracy of such information. Trading online, no matter how convenient or efficient it may be, does not necessarily reduce the risks associated with trading, and Decode Training (Australia) Pty Ltd does not accept any responsibility towards any customer, member or third party, acting on such information contained on the website as to the accuracy or delay of information such as quotations, news, and charts derived from quotations.
